Programme 2019 online - [Register Now!](#)

Winter has only started but we've already been making plans for the summer!
Join us for the Berlin Summer University of the Arts and get ready to EXPLORE, EXPRESS, and EXCHANGE.

1. Exchange

If you are looking for an exchange of ideas, thoughts, and perspectives with UDK students and you would like to develop a collaborative project within only four days, then the following workshops are perfectly designed for you: delve into the [questions of contemporary art perception](#) with Yutaka Makino or be part of the [choreographic city exploration](#) with the art collective Plan B (Sophia New and Dan Belasco Rogers).

2. Express

If you are interested in graphics and print, you will like our two workshops focused on special printing techniques which allow you to accessibly [print without any press](#) or produce photographs of a certain quality by using the [cyanotype method](#). If you want to be an ambassador of analog media in a digitalized world, you may find our workshop with a focus on [communicative qualities of the poster design](#) the right choice.

3. Explore

If you keep thinking about starting your own business and are interested in [questions of business structures and organizations](#), use the opportunity to get coached by Jeong Hong and Andreas to find out which model suits your idea best. Ulrike's workshop will help you to turn your idea into a business plan and offers support in [taking your first steps towards a successful start-up](#).
