

Newsletter October 2018

Hello everyone!

The last course at the Berlin Summer University of the Arts is over. We have had another exciting summer where our students have done more, learned more, become more and been the best that they can be. We feel happy and energized to have hosted so many people with different backgrounds from all over the world, and be part of this immense cultural, intellectual, and creative exchange. Thank you for that!

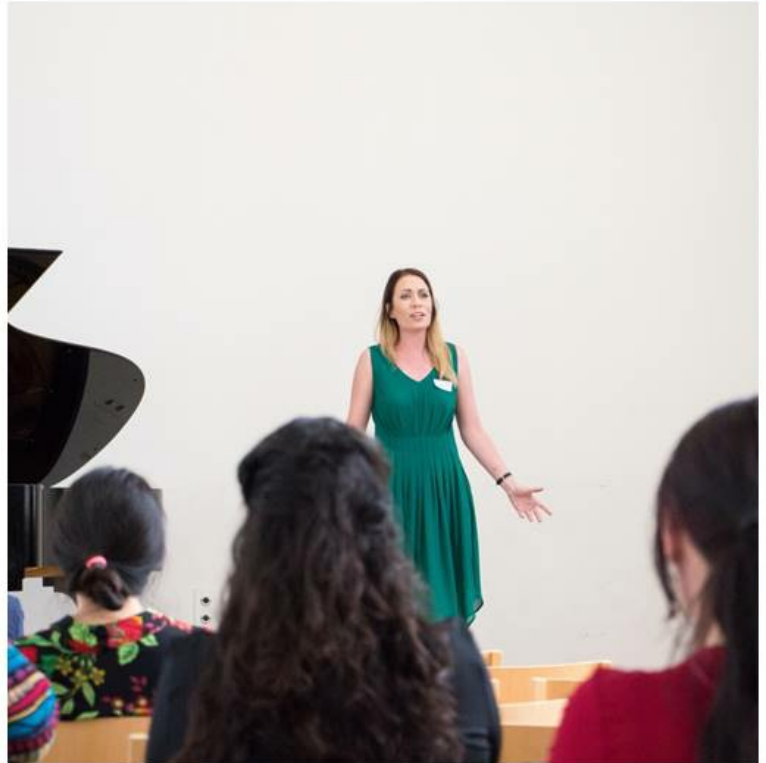

Here are some interesting facts about BSUA 2018 that we collected for you:

- **We hosted 234 participants**
- **They all came from more than 48 countries**
- **Our workshops took place at 6 different venues**
- **We spent more than 575 hours studying and creating together!**

Our participants have different professional backgrounds with most of them working in Music (37%), Fine Arts (14%), and Design (11%) fields

But the little goodbye doesn't make us feel sad because we've already started working on the **Programme 2019** which is going to be released very very soon! And, as always, you are super welcome to subscribe to our [newsletters](#) for all the updates and be the first to register for our new workshops.

We wish you all a great week and see you soon!

Best,
your BSUA Team
